Percent satisfied with school-home relations	75%	90.9%	90.9%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Bellevue Elementary School has been a wonderful place to teach and learn since 1955 and the 2011-12 school year was no different. We were awarded the Palmetto Silver Award for the fourth consecutive year for closing the achievement gap. Our teachers received over \$10,000 in grants and awards and our students raised over \$7,000 for various charitable organizations. Elicia Miller, our 4 year old kindergarten teacher, was selected as our Teacher of the Year. We are encouraged by the progress we continue to make and look forward to the 2012-13 school year.

Bellevue Elementary School has a very diverse school community with four continents represented in our current enrollment of approximately 470 students K4-5th grade. We are a Title 1 school with 78% of our students qualifying for subsidized meals. Our dedicated faculty is highly qualified with nearly 75% having either a master's degree or National Board Certification.

It is our mission to provide a safe and nurturing environment rich with learning opportunities. Our decisions for school improvement are driven by what is best for children. Our challenge to the students and their families is to take an active role in their own education. The instruction at Bellevue is determined by the individual interests and needs of each learner. We strive to build background experiences by making learning authentic and real world related.

Recognizing that learning is much more than reading and writing our students have plenty of opportunities to develop themselves emotionally and physically. Programs such as Kids on the Ball, Trailblazers, and Girls on the Run all promote healthy lifestyles by staying active and eating well. Our Eco Police lead the charge for our recycling efforts as well as educate their peers about the needs to be more environmentally conscious. The Student Ambassadors serve as mentors to new students to our school as they begin to get acclimated to their new school.

Parents and other family members are also provided with opportunities to make a difference in our school community. Our PTO in recent years has really reached out to our families and we are beginning to have more and more volunteers in the building. Last year the PTO was able to buy a new LED sign for our entrance area. There fundraising efforts also provided 10 scholarships for fourth and fifth grade students for a field trip to Charleston, SC. PTO hosts events such as Movie Nights, Fall Festival, Spring Dance, Muffins for Mom, Donuts for Dad, and Goodies for Grandparents.

We also have a very dedicated School Improvement Council and Parent Advisory Board. These groups allow us the opportunity to discuss school improvement and gain support for new initiatives school. SIC and PAB also serve a valuable role in gathering feedback from families that do not participate on either committee.

Bellevue Elementary School is a great place to teach and learn!
